

***Mission: To influence, educate, and support Market Place Leaders in Hawaii by creating a support group and network to grow Christian business leaders that will positively impact our community.***

Purpose: Use our jobs as a ministry to transform lives by sharing our faith and the Word to those in our sphere of influence. To create a network of business people moving them from success to significance through NHHK MPL.

**Goal 1: Continue MPL events to develop initial relationships with our Hawaii Kai business community for 2013.**

Strategy: Plan and initiate the first MPL Event I on March 14, 2013, Kaiser HS Cafeteria. Both women and men members will be invited.

- Theme will be determined when we solidify our speakers, but will be along the lines of success to significance, overcoming adversity, or the bottom line - who is your idol?
- Develop Steering Committee team setting foundation and to develop event.

Strategy: Plan and implement MPL Event II on own (or) team with other church(s) to promote national/global event with high powered national/international speakers (Sept/Oct).

- Seek consensus from MPL SC on own or team event.
- Identify church(s) wishing to partner and do MPL big event (ie. John T, Francis, Elwin).

**Goal 2: Get guests plugged into church, small/life group, or community based project.**

Strategy: Have NHHK members follow up with invited guests and extend invite no later than two weeks after event.

Strategy: List current ministries of NHHK and have members promote to respective guests.

Strategy: Develop other small business groups (ie. breakfast clubs).

Strategy: Identify and list community based projects that NHHK has or is considering.

**Goal 3: Inspire and equip NHHK members to do ministry in the marketplace.**

Strategy: Develop seminars to teach members how to form a small group in market place.

**Goal 4: Deepen relationships with launching of Forum Groups in marketplace.**

Strategy: Work with NHDH to understand forum groups curriculum and launch program.
